"Tim is an engaging speaker who easily held our group's attention. He has a speaking style and personality that makes hard-to-digest information easily accessible. I would recommend him without question for any upcoming speaking engagements your group may have." **Dave Navarro, Quality Assurance Manager at 3Dsolve, RTP, NC**

"Tim's presentation was not only informative but entertaining. Tim interacted with attendees and kept everyone's attention through the use of humor and magic. He tailored the presentation to fit our needs which made the information even more relevant for us. We will definitely be having Mr. Dumas return!" **Bonnie S. Clinebell, B.S.,R.T.(R)(M), Program Director Radiologic Technology, North Country Community College**
